

Prices Graphic Design

The following prices are mostly estimates, unless noted otherwise. After years of experience in this business, I can confidently say that with most projects it is impossible to give a firm price without knowing the client's specific requirements. The prices have been published for your convenience, so you may know what price range to expect. I am looking forward to hearing from you personally, so we may discuss your specific project and I'll give you a firm quote based on your requirements.

IMPORTANT: I charge special prices for companies/freelancers in cooperation

Graphic design on Budget

Graphic design of the homepage and one internal page of the website. Three initial designs and unlimited revisions on selected design - until you are happy!

LOGO DESIGN

Premade Logos

How does it work

There are some premade logos in my portfolio and soon there will be more and at DaPino Graphics.

After choosing your logo, I provide you with 2 alternative layouts with your information [company name and/or slogan, colors etc]. Choose which best suits your company.

Order

Once you have chosen your logo it is permanently removed from the site. You have total ownership. I send you an invoice first. Order your logo by PayPal (international countries), one of the world's largest and most secure payment services or via bank transfer.

You received your layout

Your logo will be emailed directly after purchasing. Below are the file formats you will receive:

- EPS | AI | PDF Files
Most common file formats used by Printers for business cards, letterheads brochures and other promotional material.
- JPG Files
High resolution file format that can be changed to suit. Can be used in programs such as Word, Powerpoint and Graphic Programs including Adobe Photoshop. Can also be used for websites.

Price custom logo design

You'll get:

- 3 -4 initial mock-ups
- Free re-draws
- Free and unlimited revisions - until you are happy!
- In 5 business days turnaround
- You own the full copyright to your new logo design outright. I retain no rights at all over your new logo
- File formats for web and offline home/office and professional print use

- Free editable source file (.eps / .psd / .ai).

This is your camera ready artwork for professional design & print

IMPORTANT: I never use templates or clipart in your logo design.

ICON DESIGN

Custom Icon Design

I offer 2 types of custom icon design services:

1. Extending existing [stock] icon set or purchased a commercial license

You can order this service in case you purchased one or more royalty-free stock icon set or royalty-free / commercial license and you need more icons in the same style that are not in my collection. In this case I design icons you need in style of the [royalty-free stock] icon set or downloaded icon set. Your license remains the same. And I have rights to extend existing icon set by these icons, or create new icon set based on these icons. Price per icon is kept as small as possible of course.

Price

I don't have fixed price per custom extending existing [stock or downloaded] icon set. Every project is reviewed separately and price per icon is set up.

2. Designing icon set and passing copyright to customer

You can order this service in case you need unique icons and require copyright to this set. In this case I design icons in style you need (please note it could not be the same style as icon sets I offer or featured free for download). You receive all required icons, vector sources and copyrights to these artworks. Of course I don't publish these icon sets on my websites.

Price

Price per icon is higher than in case of extending existing stock icon set service.
